## ATTACHMENT I

1. On April 7, 2018, at approximately 2:45 a.m., U.S. Border Patrol (USBP) agents in Rio Grande City, Texas were conducting line watch operation. USBP agents observed subjects carrying four bundles of possible narcotics and began video recording them. Agents responded and observed four individuals drop the bundles and run south towards the Rio Grande River. Agents recovered all four bundles and maintained visual of the subjects as they attempted to flee. Agents arrested four subjects within approximately 60 yards from where the four bundles were located. The four subjects were later identified as Edgar MEDINA-Garza, Adrian CANTU-Degollado, Angel GUARDIOLA-Puente, and Victor BARCENAS-Chacon. All four defendants are Mexican nationals that are illegally present in the United States.
2. USBP agents processed the four bundles of marijuana, which weighed approximately 105 kilograms. USBP agents also conducted a marijuana field test that tested positive for characteristics of marijuana.
3. At approximately 9:01 a.m., DEA Special Agents initiated a recorded interview of MEDINA. MEDINA waived his rights through written and verbal consent and agreed to be interviewed by agents. MEDINA stated that he is a Paisa gang member that has previously been arrested for smuggling narcotics. MEDINA stated that earlier in the evening he illegally entered the United States by crossing the Rio Grande River in a raft. MEDINA stated that four bundles of marijuana also crossed the Rio Grande River on a raft and that MEDINA carried one of the bundles of marijuana. MEDINA stated that he carried the bundle so "the cartel" would waive his crossing fee of \$500.00 USC. MEDINA stated that he observed CANTU, GUARDIOLA, and BARCENAS all carrying a bundle of marijuana earlier in the evening. MEDINA stated that he knew he was smuggling marijuana.
4. At approximately 9:44 a.m., DEA Special Agents initiated a recorded interview of CANTU. CANTU waived his rights through written and verbal consent and agreed to be interviewed by agents.
